The White Drop *for the Scurvy, one Third of an Ounce for One Shilling.*

THESE innocent, yet most efficacious Drops, are an excellent Remedy in more Cases than will admit of being mentioned here, but well known to be one of the greatest Antiscorbutics in Practice.

They will bring away Worms from Children, and are most excellent in promoting the regular Return of Disorders peculiar to Women, and removing Obstructions.

They are used with Success in the Disease called St. Anthony's Fire, and other Inflammatory Disorders, giving great Ease by their cooling Qualities.

Being applied outwardly, they cure Pimples, and other Eruptions in the Face, and other Parts of the Body.

They cure the Scurvy in the Mouth by wetting the Gums with them, and are a very great Antivenereal in all the Degrees of the Distemper.

The Red Pills, *Six in a Box, 6 d.*

They are very beneficial to Children and young People, given in proper Proportions; being taken in the Spring and Fall, they keep them free from Worms, Coughs, Eruptions, and other Disorders, which Children are usually subject to, by carrying off all internal Foulnesses, and preserving them healthy.

They are very efficacious in Rheumatic and other Pains in the Limbs, excellent for Boils, and other ulcerous Sores; and a powerful Remedy in most stubborn chronical Cases, if continued to be taken for a considerable Time; and also in obstinate certain Disorders.

The Emetick Sack Drop, *Half an Ounce* 6 *d.*

Is in general of the same Efficacy as the Red Pill. It has been found to cleanse the Stomach more effectually than the Vomits usually given, and that without occasioning uncommon Reachings.

The Sweating Powders, *Fifty Grains*, 3 *d.*

They are the most agreeable in their Operation of any Sweats whatever, by easing Pain, and giving Spirits to the Patient; and are most powerful in all Rheumatisms, and Pains in the Body and Limbs; and also in Coughs, and other Disorders proceeding from Colds.—Two or three of these Powders will frequently restore the Use of Limbs that have suffered by Rheumatic Pain.

☞ In stubborn Rheumatic Cases, if the Red Pill be taken between every two of these Powders, the Cure will be performed much sooner.

The Paste *for Fistulas, Piles, &c. a Pound in a Tin Box*, 2 *s.* 10 *d.*

This is most efficacious in the Fistula, Piles, and other Maladies incident to the same Part of the Body; against the Gravel and the Spleen; and for internal Soreness in the Stomach and Bowels.

The Liquid Sweat, *Half an Ounce, about* 5 *Doses*, 1 *s.*

This is found to be an excellent Remedy for Pains. It is good against Fevers, Vomitings, Gripes, Complaints in the Head, and Weakness peculiar to Women.

The Dropsy Powder, *Six in a Parcel, 6 d.*

It evacuates the Water in the Belly, is good in the Jaundice, and Overflowing of the Bile, and Retention of Urine, as it promotes making of Urine.

Essence *for the Head-Ach, Half an Ounce*, 1 *s.*

This Essence Mr. Ward would never sell in his Life-time: The immediate Ease it gives in Pains in the Head, and any Part of the Limbs, is very surprising.

IF Robert Burrough (Son of Richard Burrough, of the City of London, Bookseller, who died in the Year 1728, or thereabouts, was a Carver, and resident in the Parish of Saint Mary's Rotherhith, Surry, and from thence, in the Year 1731, went to live at Cheynes in Buckinghamshire; from thence he went beyond Seas, as is apprehended, to some Part of America) be living; or if dead, if any Child or Children of him be living, and will apply by Letter or in Person to Mr. Thomas Winckley, in Essex Court Middle Temple, London, may hear of something considerable to his or their Advantage: Or if any Person or Persons can give an Account of the Death of the said Robert Burrough with or without Issue, and will apply as above, it will be a Favour done to the Family, and their Expences will be paid with Thanks.

PUrsuant to an Order made by the Right Honourable Robert Earl of Northington, Lord High Chancellor of Great Britain, for Enlarging the Time for William Woodham, of the Strand in the Parish of St. Martin in the Fields in the County of Middlesex, Stationer, Music Paper Ruler, Dealer and Chapman, (a Bankrupt) to surrender himself, and make a full Discovery and Disclosure of his Estate and Effects, for 16 Days, to be computed from the 5th Day of January instant; This is to give Notice, that the Commissioners in the said Commission named and authorized, or the major Part of them, will meet on the 21st Day of January instant, at Four in the Afternoon, at Guildhall, London; when and where the said Bankrupt is required to surrender himself, and make a full Discovery and Disclosure of his Estate and Effects, and finish his Examination; and the Creditors who have not already proved their Debts, may then and there come and prove the same, and assent to or dissent from the Allowance of his Certificate.

THE Commissioners in a Commission of Bankrupt awarded and issued forth against William Coleman, of Gray's Inn Lane in the County of Middlesex, Coach-maker, Dealer and Chapman, intend to meet on the 29th of January instant, at Four in the Afternoon, at Guildhall, London, in order to make a Dividend of the said Bankrupt's Estate and Effects; when and where the Creditors, who have not already proved their Debts, are to come prepared to prove the same, or they will be excluded the Benefit of the said Dividend.

THE Commissioners in a Commission of Bankrupt awarded and issued forth against William Watson, late of Thames-Street, London, Ironmonger, intend to meet on the 22d of January instant, at Eleven in the Forenoon, at Guildhall, London, in order to make a final Dividend of the said Bankrupt's Estate and Effects; when and where the Creditors, who have not already proved their Debts, are to come prepared to prove the same, or they will be excluded the Benefit of the said Dividend.
